

Council Chambers
Legislative Review Session
October 14, 2013
6:30 p.m.

Council met in Legislative Review Session as a quasi committee of the whole, chaired by Pres. Rinehart, with the following seven members present: Ames, Bonner, Gray, Neal, Proehl, Tatman and Trutschel. (Mrs. Patrick and Mr. Siberell absent.) There were 1 media representative and 9 other visitors present, in addition to Mayor Everson.

Pres. Rinehart noted that there are representatives from the Ohio Department of Transportation here tonight for a presentation on the first topic on tonight's Agenda, the U.S.R. 50(Western Avenue) improvement project. He called upon Mr. Vaughn Wilson, District Deputy Director for District #9 for ODOT to make this presentation.

Mr. Wilson indicated that the proposed project will include the intersection at Plyley's Lane, up through the area of St. Andrews Blvd. and on out to Centennial Drive. He said that Patricia Wetzel is here tonight to further discuss this project.

Ms. Wetzel stressed that this is just a proposed project. She said that they want to make Chillicothe City Council aware of it, and also to get any feedback. She indicated that most of the improvements will be to the intersection with Plyley's Lane, stating that they are trying to improve all high crash locations within the state. She said that this particular intersection is No. 79 among urban non-freeway risks. She said that they will need the city's permission to go forward with the improvements, through Council's legislation, if the project is approved. She said that she should know by early November if this project is going to be funded, stating that she will be making a presentation on this tomorrow. She said that Kevin Thomas is the engineer on the project.

Mr. Trutschel said that he has been trying to get this project going for the past 30 years. He said that this is the number 1 project in the First Ward.

Mr. Thomas referred to the materials that he passed out.

Ms. Gray asked about the St. Andrews Blvd. intersection, asking how it will be affected. Mr. Thomas responded, stating that there really will not be much of a change to it.

Ms. Wetzel said that with regard to the cost, they are first considering the addition of sidewalks on the north side of Western Avenue in this area. She said that the problem is that this is probably not available for funding under safety funding, which is where the funds for the project itself will come from. She said that she plans to present this idea anyway, and that she thinks it is a great idea. She said that perhaps Chillicothe could apply for a small cities grant on this through ODOT. She continued, stating that the preliminary cost estimate for the project is \$1,000,000.00. She said that the local match is usually 10%, but that ODOT will be paying 100% on some of it, thereby reducing the city's share to only about \$40,000.00. She said that they will need to purchase additional right of way for the project, about eight feet. She indicated that the date for getting that completed and beginning the project itself is the spring of 2016.

Pres. Rinehart called upon Mr. Proehl to lead tonight's discussion on the second topic on tonight's Agenda, the matter of the committee assignment concerning legislation to prevent bullying.

Mr. Proehl said that education is one of the areas that they have looked at. He said that Bud Lightle of the Chillicothe Police Department is here tonight to give a presentation on this.

Mr. Lightle then gave a slide presentation, and stated that a good website is stopbullying.gov.

He discussed the Jessica Logan case, involving an 18 year old girl who committed suicide after being cyber bullied about a nude photograph that she sent out to a boyfriend.

Mayor Everson said that with respect to legislation on the subject of bullying, it is a “no good answer” situation where it happens out in the city itself, instead of within a school setting. He asked Mr. Lightle if he had any ideas on this. Mr. Lightle responded, that he thinks that we already have some laws on the book that apply, such as disorderly conduct. However, he said that he would like to see them tied in more to bullying itself.

(Mrs. Patrick arrived at 7:05 p.m.)

Mayor Everson asked Mr. Lightle if he had any samples of how to tie the legislation together. Mr. Lightle responded, stating that he is working to come up with something on this by the time of the next meeting of the committee.

Pres. Rinehart said that this all began with a meeting that he and Mayor Everson had with a mother who was at her wits’ end concerning bullying of her son. Pres. Rinehart said that he put this into a Council Committee, and that they are trying to give parents some recourse. Mr. Lightle said that he is familiar with that particular situation. He stated that with some of the new ways of bullying, such as through electronic media, it is both a challenging and a growing problem. He said it is wise for the city to take steps now to address the problem.

Mr. Proehl said that he would like to see a collection of data through the web sites of the Chillicothe Police Department or the City of Chillicothe of any instance of bullying, perhaps showing sustained patterns.

No formal action was taken by Council on any matter discussed during the review session, and no roll call votes were taken.

The Legislative Review Session adjourned, by consensus at 7:15 p.m.

Clerk of Council

President of Council

Council Chambers
Regular Meeting
October 14, 2013
7:30 p.m.

Council met in regular session with all nine members present: Ames, Bonner, Gray, Neal, Patrick, Proehl, Siberell, Tatman and Trutschel. There were 2 media representatives and 10 other visitors present, in addition to Mayor Everson, City Law Director Rutherford, and City Auditor Feeney.

Pres. Rinehart led in the Pledge of Allegiance to the Flag.

Mr. Siberell reported on Item #8 to consolidate 7 bond issues of the City of Chillicothe, Ohio. He said that each of these items are on tonight's Agenda for their third and final reading.

REPORTS OF OFFICIALS

Report of Mayor Everson:

Mayor Everson said that the paving of Main Street should be completed by the end of October. He said that this is especially true for the section between Western Avenue and Paint Street so that this will be finished before the Annual Halloween Parade on the 26th of October. Mayor Everson commented on the past due amount of \$3,333.00 owed by the City of Chillicothe as payment of its insurance policy deductible on the court matter that was resolved four years ago. He said that this is the city's responsibility as a result of the court's ruling in 2009. Mayor Everson said that the city will either pay this amount by passage of an ordinance by City Council, or else it will have to pay this amount in additional insurance premium.

Report of Auditor Feeney:

City Auditor Feeney said that he has distributed copies of a summary sheet that he prepared concerning the bond ordinances on tonight's Agenda. He once again reviewed why the city is doing this, noting that the current notes issued by the city all represent short term debt, which leave the city susceptible to an increase in the interest rates charged. He said that the issuance of these long term bonds will lock in the current low interest rates. He said that there are no scheduled payment plans on any of the current short term notes, but that through the issuance of these long term bonds, the city is now making a commitment to long term payment plans. Mr. Feeney indicated that this will help with the city's balance sheet, stating that Moody's has called the city about this issue in the past, expressing concern about the possibility of interest rate increases. Mr. Feeney also noted that 2 of the new bond issues are refunding bonds. He said that he still plans to check to see if this is a good idea to go forward, with an eye on the costs of the issuance of the bonds as well as the interest rates. He said that by passing these ordinances tonight, City Council gives to him and his office the authority to proceed with the issuance of the new bonds. He said that with respect to all of them, he will only go forward if it is apparent that this is a good idea. He also said that when the city renews short term notes each year, the city does incur what he called "closing costs". In addition, he noted that each of the bonds authorized by the ordinances on tonight's Agenda are "not to exceed" a certain amount, and that this amount includes the cost of the bonds. Mr. Feeney then proceeded to go through each of the ordinances, talking about the maximum number of years and other particulars of each one. He concluded his report by urging Council to pass these items tonight.

Report of Pres. Rinehart:

Pres. Rinehart said that he only wishes to thank the members of Council tonight for all of their work on the many recent Council Committee Assignments, as well as to thank the Law Director's Office for preparation of the necessary legislation.

AUDIENCE PARTICIPATION

Donna Stevens of Seminole Road spoke concerning the Railroad Museum Cabooses at the head of the City Park. She said that they are now closed for the season and that they had 25 volunteers, with a total of 1,570 visitors this year. She provided other statistics concerning this attraction.

Rhonda Lurtz of 94 King Street appeared before Council to announce that they will have a Crime Watch meeting at 5:30 p.m. tomorrow in the community room at Sherman Park. She also reminded Council that the neighbors in her area want their street dead ended. She said that they have other issues, and she asked Council to not forget them. She urged the members of Council to attend their meeting tomorrow evening.

Pres. Rinehart called upon Rick Marriott to give a presentation. Mr. Marriott said that he is here tonight to support passage of the legislation needed to transfer the services from the Ross County Board of Developmental Disabilities to the Chillicothe Transit System in order to expand the transportation program. He said that he is looking forward to a long term relationship with the city, and he said that their board has approved the contract and the transfer of busses and other resources to the CTS. He said that they expect to begin with the new services on November 15, 2013, and that he appreciates all of Council's help.

NEW BUISNESS

Mrs. Ames said that there will be a senior extravaganza at 10:00 a.m. on October 25, 2013, and that the Chillicothe Fire Department will be there. She also said that the Chillicothe Fire Department will have an open house on October 26, 2013, with games and other activities. She also indicated that the Jaycees are having a chalk contest in connection with the Halloween Parade.

Mr. Trutschel announced that there will be a meeting with the Parks & Recreation Board at 5:00 p.m. on Wednesday.

Mrs. Patrick said that the Special Committee on meth labs will meet on Wednesday at 4:30 p.m.

Mr. Siberell announced that the final budget meeting will take place next Monday here in Council Chambers, beginning at 6:00 p.m.

Mr. Siberell announced that he plans to vote against Item #9, concerning payment of \$6,581.00 to OVRDC, stating that he continues to believe that this money is better spent elsewhere.
