INSTRUCTIONS FOR BACK PAGE

COMPLETE ONLY IF APPLICABLE

SCHEDULE C PROFIT (OR LOSS) FROM BUSINESS OR PROFESSION. Schedule C is arranged much the same as Schedule C required for Federal Income Tax. Taxpayers are required to submit a copy of the Federal Schedule C if one has been completed. If you operate more than one business and separate books are kept, a copy of Schedule C should be attached for each business, and the total profit of loss entered on Line 17. Do not include in this schedule the cost of goods withdrawn for personal use or deductions not connected with the business or profession.

SCHEDULE E INCOME FROM RENTS. This schedule corresponds to the Rent Schedule of Federal Form 1040. If space is inadequate, attach a separate sheet.

SCHEDULE H INCOME FROM OTHER SOURCES. Report in this Schedule any other income you may have which is subject to Chillicothe Tax. For example, a Chillicothe resident may be a member of a partnership not located or doing business in Chillicothe. Such partnership as a business entity is not required to file returns and pay the tax. This Chillicothe resident, never-the-less, is subject to tax on this income he earned from the partnership and must report the income in Schedule H.

SCHEDULE X—BUSINESS RECONCILIATION WITH FEDERAL INCOME TAX RETURN. This Schedule is used to adjust Federal Net Income to your Chillicothe Taxable Income. The left hand column is for items deductible on the Federal Return but not deductible under the Chillicothe Ordinance. The right hand column is for items taxable on the Federal Return but not taxable by Chillicothe.

EXAMPLES:

- If Line 1, Page 1 did not include sick pay, then such income must be entered on Line G this schedule, since it is taxable.
- Non-residents who perform services both within and outside of Chillicothe may determine the amount of salaries, wages, etc. not taxable by dividing total days worked outside of Chillicothe by dividing total days worked and multiplying total salaries, wages, etc. by the resulting decimal. This amount should be entered on Line M with explanation.
- Businesses and Professions which deduct State and City Income Taxes on Schedule C, must list these items on Line B of Schedule X.
- If Line 3 includes income subject to Ohio tax on intangibles, such as dividend and interest then such dividend and interest income may be listed on Lines J and K. Enter the total of these columns on Line 1 and 4b Page 1.

SCHEDULE Y BUSINESS ALLOCATION FORMULA. See 5, Allocations of Profits.

SCHEDULE Z PARTNERSHIPS. Partnerships enter in Column 1 of Schedule Z the name, and in Column 2 the address of each partner. In Column 3 show the proportionate share of profit to each member. In Column 4 list other amounts paid to each partner such as salary, wage, special service fee, etc. In Column 5 enter for each partner, the percentage figure which represents the portion of this income that is subject to Chillicothe Tax. Non-residents may determine this per cent by use of the allocation formula shown as Schedule Y. For resident partners, however, this percentage will be 100 per cent. In Column 5 enter the taxable income of each partner. (Column 3 and 4 times percentage shown in Column 5.)

Filing of a partnership return does not relieve individual partners of the responsibility of reporting any other taxable income they may have.
